

ST. AGNES ACADEMY

1104 Cheyenne
Alliance NE 69301

November 13, 2018

Dear Crusader Parents:

We hope you had a good weekend and are staying warm at night!

- A **HUGE** thank you to Mr. Gary Daniels for all his hard work cleaning up the grounds this past week!
- Keep Alliance Beautiful is sponsoring a recycling-themed scavenger hunt for America Recycles Day and they will be collecting all the entries here at St. Agnes on Friday, November 16. More information was sent home last week.
- We have several people who have turned in some of the forms to be a volunteer driver, but not all. If you are planning on helping drive students to various events, please contact me to make sure you are all set.
- Please contact Mrs. Broad in the kitchen if it is your month to help in the kitchen. Mrs. Broad **always** needs more help.
- If you attend Mass on Wednesday mornings in our chapel, please go to one of the main entrances (Doors 1 or 7) and get buzzed in. We want to do a better job at keeping the building secure during the day.
- Try-outs for the spring musical are Thursday for the boys and Friday for the girls.
- IF/When the weather is bad when school is dismissed, the students will be coming out the main school entrance (Door 7). This is to avoid using those the north stairs and risking a bad fall.
- Next week we are out of school from Wednesday through Sunday for Thanksgiving Break.
- Boys' Basketball practice has started!
- The Lottery Calendar winners for November are Rod Farritor, Karlene Sloggett, Shae Brennan and Leslie Hulquist from Alliance, and Jill Alcorn from Gordon, \$75 each. Rick Batt of Alliance won the \$125 All Saints Day drawing and Janet Hostetler of Sidney is the \$125 Thanksgiving Day Winner.
- Our Girls' Basketball team opened their season with a win last week. We hope they continue to play well.

We hope you have a great week and enjoy the cooler weather!

In His Service,

Rodney Wilhelm, Principal
